

JUST DOUBLE

CHRISTIAN CHURCH EXPECTS TO BE FOR CENTENNIAL.

Plans Set On Foot At Meeting Held At Murray This Week By Its Delegates.

Mrs. Kate Whitefield, Mrs. Frank May, and Mrs. W. H. Garner returned last night from Murray, Ky., where they have been attending the meeting of the Christian Woman's Board of missions. The Southwestern Kentucky Missionary and Sunday School association is also meeting there the last session being held this morning.

It has been the most successful meeting for both organizations in many years. The attendance was large and the addresses by the different speakers were unusually interesting. Preparations were made to start a movement to culminate in 1909, which proposes to just double the present membership and church facilities. In that year the centennial of the founding of the Christian church by Alexander Campbell will be celebrated in Pittsburg. The plan suggested to secure the increase, is that every church should establish a new church; every Sunday school a new school; and every member secure a new member.

The Southwest Kentucky district showed all expenses met and a surplus in the treasury of over \$500. The Rev. W. H. Pinkerton lectured there last night to the Sunday school association.

MONEY ORDER

Of Jailer Eaker in Postoffice at Balance Was Stolen.

County Jailer James Eaker is one of the victims of the Ballance, Graves county, postoffice robbery which occurred several nights ago, and is trying to figure out whether he is loser or not.

Jailer Eaker sent a money order to Al Konkle for \$3.50 and the letter in which the order was sent was taken with other loot secured by the burglars. A special postoffice inspector visited Jailer Eaker this morning and inquired of the matter, but no results are known.

The money cannot be secured, it is understood by the order, and Jailer Eaker probably will receive it again after the due amount of red tape has been gone through.

Important Meeting.
